

LET'S GET YOU ONBOARD

Sharing the stoke to Schools across Australia

Hey Crew,

I hope this message finds you well. We are stoked to inform you that (What'SUP Cairns) is a Registered for sporting school, as a coaching provider for Surfing Australia.

Sporting Schools is federally funded by the Australian Sports Commission and delivered through educational schools Australia-wide, with \$41 million of funding provided in 2023. Sporting Schools programs are provided free to children and their families to help students build the confidence and capability to be active for life.

We offer Surf + Sup Programs for both Primary and High Schools students (currently, only a targeted program for Year 7 and 8 students in sporting school) and would be stoked to have your school onboard. Here is the link with more information about the programs we offer - <https://www.sportaus.gov.au/schools/schools/sports/surfing>

Ours programs can be conducted as a one-time session or extended over several days or weeks.

If you have any questions or would like further information on our programs, please do not hesitate to contact (insert school contact) or Blake from Surfing Australia, at blake@surfingaustralia.com.

Thank you for your time and have a great day!

Regard
